PROFILE

I create digital and print media solutions for non-profit organizations, helping them increase their impact on the communities they serve. By developing brand identities, intuitive websites, and engaging print materials, I ensure their messages effectively communicate their mission and values to the communities they serve.

WORK EXPERIENCE

Director of Music

September 2014 - Present

First Congregational Church, Manchester, NH

- Produced all video content for virtual services and programs during the COVID-19 pandemic.
- Designed engaging, high-quality flyers, banners, posters and print materials using the Adobe Creative Suite.
- Redesigned the church's website based on user experience principles which resulted in increased engagement.
- Promoted events through social media, online event listings, and local print publications.

Web Design Intern

November 2023 - August 2024

Center for the Arts-Lake Sunapee Region, New London, NH

- Redesigned the organization's website with the help of fellow designers.
- Created print materials that follow brand guidelines.
- Collaborated with the executive director, marketing manager, and fellow designers to troubleshoot problems and provide feedback.

Graphic Design Intern

May 2023 - August 2023

New England Coastal Wildlife Alliance, Middleborough, MA

- Created print materials such as bumper stickers, greeting cards, coloring book, and educational materials.
- Collaborated with the president of the organization and fellow designers to troubleshoot problems and provide feedback.
